Your Responsibilities

Team CB are here to help. However, your responsibilities as directors/members are as follows:

You are responsible for preparing financial statements which give a true and fair view and which have been prepared in accordance with the Companies Act 2006 (the Act). You must not approve the financial statements unless you are satisfied that they give a true and fair view of the assets, liabilities, financial position and profit or loss account.

In preparing the financial statements, you are required to:

- Select suitable accounting policies and then apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the company will continue in business.

You are responsible for keeping adequate accounting records that set out with reasonable accuracy at any time the financial position, and for ensuring that the financial statements comply with applicable accounting standards and with the Companies Act 2006 and give a true and fair view. By approving the financial statements you will be acknowledging this responsibility.

You are also responsible for safeguarding the assets and hence for taking reasonable steps to prevent and detect fraud and other irregularities.

You are also responsible for deciding whether, in each financial year, the company meets the conditions for exemption from an audit, as set out in section 477, 479A or 480 of the Companies Act 2006, and for deciding whether the exemption can be claimed that year.

You are responsible for ensuring that the company complies with the laws and regulations that apply to its activities, and for preventing non-compliance and detecting any that occurs.

You have undertaken to make available to us, as and when required, all the accounting records and related financial information and explanations, including minutes of management and shareholders'/directors'/ members' meetings, that we need to do our work. This is required to be confirmed in the directors' report along with an acknowledgement that the financial statements have been prepared on an appropriate accounting basis.

If financial information is published - on the company's website or by other electronic means - which includes a report by us or otherwise associated with us, you must inform us of the electronic publication and get our consent before it occurs and ensure that it presents the financial information properly. We have the right to withhold consent to the electronic publication of the financial statements if they are to be published in an inappropriate manner.

It is your responsibility to set up controls to prevent or detect quickly any changes to electronically published information. We are not responsible for reviewing these controls or for keeping the information under review after it is first published. You are responsible for the maintenance and integrity of electronically published information, and we accept no responsibility for changes made to any information after it is first posted.

Your Responsibilities

Our responsibilities as your accountant are as follows:

You have asked us to help you prepare the financial statements in accordance with the requirements of the Companies Act 2006, to enable profits to be calculated to meet the requirements of current tax legislation and to provide sufficient and relevant information to complete a tax return. We will compile the financial statements for your approval based on the accounting records and the information and explanations that you give us.

We will plan our work on the basis that no report on the financial statements is required by statute or regulation for the year, unless you inform us in writing to the contrary. We will make enquiries of management and undertake any procedures that we judge appropriate but are under no obligation to perform procedures that may be required for assurance engagements such as audits or reviews.

You have told us that the company is exempt from an audit of the financial statements. We will not check whether this is the case. However, if we find that the company is not entitled to the exemption, we will inform you.

Our work will not be an audit of the financial statements in accordance with International Standards on Auditing (UK), so we will not be able to provide any assurance that the accounting records or the financial statements are free from material misstatement, whether caused by fraud, other irregularities or error, or to identify weaknesses in internal controls.

Since we will not carry out an audit, or confirm in any way the accuracy or reasonableness of the accounting records, we cannot provide any assurance whether the financial statements that we prepare from those records will present a true and fair view. We will advise you on whether your records are adequate for preparation of the financial statements and recommend improvements on anything we come across during the course of our work.

We have a professional duty to compile financial statements that conform with generally accepted accounting principles from the accounting records and information and explanations given to us. The accounting policies on which the financial statements have been compiled will be disclosed in the notes to the financial statements and will be referred to in our accountants' report. We will not compile financial statements if the accounting principles, or the accounting policies selected by management, are inappropriate.

We also have a professional responsibility not to allow our name to be associated with financial statements which we believe may be misleading. Therefore, although we are not required to search for such matters, if we become aware, for any reason, that the financial statements may be misleading, we will discuss the matter with you with a view to agreeing appropriate adjustments and/or disclosures in the financial statements. In circumstances where the adjustments and/or disclosures that we consider appropriate are not made, or if we are not provided with appropriate information and, as a result, we consider that the financial statements are misleading, we will withdraw from the engagement.

As part of our normal procedures, we may ask you to confirm in writing any information or explanations given to us orally during our work. You have instructed us to convert the financial statements into the iXBRL (inline eXtensible Business Reporting Language) format which is required by HMRC. We will use professional software to create the tagged financial statements and you therefore agree that we can process any standard data tags without your prior approval, only referring back to you for any non-standard or judgmental areas. It remains your legal responsibility to provide the information in the iXBRL format and we will therefore issue a tagging report for your approval.

The Accountants' Report

The accountants' report helps users derive comfort from the involvement of chartered accountants who are subject to the ethical and other guidance issued by ICAEW in relation to the preparation of the financial information or statements. It also helps prevent users from deriving unwarranted assurance from the financial information or statements where no audit or assurance work has been performed and no opinion is expressed by the accountants.

We will report to the Board of Directors/Members as appropriate that, in accordance with this engagement letter and to assist you to fulfil your responsibilities, we have not carried out an audit but have compiled the financial statements from the accounting records and from the information and explanations supplied to us. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's Board of Directors, as a body. If you wish to share this report with third parties, before doing so, you must discuss this with us, receive our consent and follow any stipulated conditions.

Audit

Your Responsibilities As Directors Or Members

As directors or members of the company or limited liability partnership, you are responsible for preparing financial statements which give a true and fair view and which have been prepared in accordance with the Companies Act 2006 as applied by the company or limited liability partnerships Accounts and Audit application of the Companies Act 2006 Regulations 2008. As directors or designated members you must not approve the financial statements unless you are satisfied that they give a true and fair view of the assets, liabilities, financial position and profit or loss of the company or limited liability partnership.

In preparing the financial statements, you are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare the financial statements on the going-concern basis unless it is inappropriate to presume that the company or limited liability partnership will continue in business.

You are responsible for keeping adequate accounting records that set out, with reasonable accuracy, at any time, the company's or limited liability partnership's financial position and for ensuring that the financial statements comply with applicable accounting standards and with the Companies Act 2006 and give a true and fair view.

You are also responsible for such internal control as you determine is necessary to enable the preparation of financial statements that are free from material misstatement whether due to fraud or error.

You are also responsible for safeguarding the assets of the company or limited liability partnership and hence for taking reasonable steps to prevent and detect fraud and other irregularities.

You are responsible for ensuring that the company or limited liability partnership complies with the laws and regulations that apply to its activities, and for preventing non-compliance and detecting any that occurs. This is in addition to the general duties required by directors under s.170-177 of the Companies Act 2006. Not applicable to limited liability partnership.

You have undertaken to make available to us, as and when required, all the company's or limited liability partnership's accounting records and related financial information, including minutes of management, shareholders and directors or members meetings, that we need to do our work. You have also undertaken to provide us with unrestricted access to any persons from whom we deem it necessary to obtain audit evidence. Individually, directors are required to take all steps that they ought to take as a director to make themselves aware of any relevant audit information and to establish that we are aware of that information. This is required to be confirmed in the Director's responsibility statement along with acknowledgment that the financial statements have been prepared on an appropriate accounting basis.

If audited financial information which includes a report written by us or otherwise associated with us is published on the company's or limited liability partnership's website or by other electronic means, you must inform us of the electronic publication and get our consent before it occurs and ensure that it presents the financial information and auditor's report properly.

We have the right to withhold consent to the electronic publication of our report or the financial statements if they are to be published in an inappropriate manner.

You must set up controls to prevent or detect any changes to electronically published information. We are not responsible for reviewing these controls or for keeping the information under review after it is first published. You are responsible for the maintenance and integrity of electronically published information, and we accept no responsibility for changes made to any audited information after it is first posted.

Our Responsibilities As Statutory Auditors

We have a statutory responsibility to report to the members as a body whether, in our opinion, the financial statements have been properly prepared in accordance with applicable accounting standards, whether they have been prepared in accordance with the Companies Act 2006 and whether they give a true and fair view. In arriving at our opinion, we are required to comply with the International Standards on Auditing (UK) and to consider the following matters, reporting on any that we are not satisfied with:

- Whether the company or limited liability partnership has kept adequate accounting records, and whether branches that we have not visited have sent in returns adequate for our audit
- Whether the company's or limited liability partnership's individual accounts are in agreement with the accounting records and returns
- Whether certain disclosures of directors' remuneration specified by law are made
- Whether we have obtained all the information and explanations which we consider necessary for the purposes of our audit.

We also have a statutory responsibility to report:

- Whether the company's strategic report and directors' report [has/have] been prepared in accordance with applicable legal requirements and whether the information given in [it/them] is consistent with the financial statements
- Whether, in the light of the knowledge and understanding of the company and its environment that we have obtained in the course of our audit, we have identified any material misstatements in the strategic report or directors' report, giving an indication of the nature of any such misstatements
- On the appropriateness of the directors' use of the going concern basis of accounting and whether a material uncertainty exists.

We may also need to deal with certain other matters in our report. For example, if the financial statements do not give certain details of directors' remuneration specified by law, the Companies Act 2006 requires us to disclose such matters in our report. If the company or limited liability partnership prepares accounts in accordance with the small companies regime, (for companies only) or takes advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report, when, in our opinion, it is not entitled to do so, we are required to state that fact in our report.

We have a professional responsibility to report if the financial statements do not significantly comply with applicable financial reporting standards, unless we believe there is a good reason for the non-compliance. In deciding whether this is the case, we consider:

- Whether the non-compliance is necessary for the financial statements to give a true and fair view
- Whether the non-compliance has been clearly disclosed.

We also have a professional responsibility to consider whether other information in documents containing audited financial statements is consistent with those financial statements and our knowledge acquired during the course of the audit.

Our report is made solely to the company's or limited liability partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work will be undertaken so that we might state to the company's or limited liability partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company or limited liability partnership and the company's or limited liability partnership's members as a body, for our audit work, the audit report, or for the opinions we will form. The audit of the financial statements does not relieve you of your responsibilities.

Our Responsibilities As Statutory Auditors

If the company is a subsidiary, we are required by ISA (UK) 600 to cooperate with the group auditor, providing them with information, explanations and, where necessary, copies of our working papers to allow them to form an opinion on the group financial statements as a whole. You agree that we may communicate with the group auditors and respond to any reasonable requests without any further consent from you.

If we are required to report on consolidated financial statements, we are required by ISA (UK) 600 to obtain sufficient appropriate audit evidence to express an opinion on the consolidated financial statements. We will be responsible for the direction, supervision and performance of the group audit. You agree that we may communicate with the component auditors without any further consent from you.

For listed entities and public interest entities, we will provide those charged with governance with a statement that we have complied with the relevant ethical requirements and communicate all relationships and other matters that may reasonably be thought to bear on our independence along with any relevant safeguards.

For listed entities and in other circumstances when we decide to communicate key audit matters in the audit report, we will determine the matters that were of most significance in the audit from those communicated with those charged with governance.

If we cease to act as statutory auditors for the company or limited liability partnership, we are required by paragraph 9(3) of schedule 10 to the Companies Act 2006, as applied by the limited liability partnerships Accounts and Audit application of the Companies Act 2006 Regulations 2008 to make available, if requested, all relevant information concerning the audit of the company or limited liability partnership to our successors as statutory auditors. You agree to cover any reasonable costs that we may incur in fulfilling our statutory duty in making such information available.

Scope Of Audit

We will carry out our audit in accordance with International Standards on Auditing (UK). These standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements, whether due to fraud or error. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

An audit also includes evaluating the appropriateness of accounting policies and whether they have been consistently applied and adequately disclosed. The reasonableness of accounting estimates made by management will be reviewed, and the overall presentation of the financial statements along with adequate disclosure of the applicable financial reporting framework will be evaluated.

We will evaluate whether the information presented in the financial statements is relevant, reliable, comparable and understandable as well as providing adequate disclosures and appropriate terminology. Because of the test nature and other inherent limitations of an audit, together with the inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements may remain undiscovered.

We will review any other information to be presented with the financial statements to identify material misstatements or inconsistencies with the audited financial statements or based on our understanding of the company. If any such material misstatements or inconsistencies remain unchanged, we will need to consider amending our audit report.

We will obtain an understanding of the accounting and internal control systems to assess their adequacy as a basis for the preparation of the financial statements and to establish whether adequate accounting records have been maintained by the company or limited liability partnership. We will expect to obtain such appropriate evidence as we consider sufficient to enable us to draw reasonable conclusions.

In addition to our report on the financial statements, we will provide you with a separate letter concerning any significant deficiencies in accounting and internal control systems which come to our attention during our normal audit work.

The nature and extent of our audit will vary according to our assessment of the company's limited liability partnership's accounting system and, if we wish to rely on it the internal control system, and may cover any aspect of the business's operations that we consider appropriate. Our audit is not designed to identify all significant deficiencies in the company's or limited liability partnership's systems and internal controls but, if we detect significant deficiencies, we will report them to you in writing. You may not show this report to third parties without our prior written consent. We will grant consent on the basis that the report is only prepared in the sole interests of the company or limited liability partnership and that we accept no duty or responsibility to any other party as concerns the report.

As part of our normal audit procedures, we may ask you to confirm in writing representations you have made to us during the audit. In particular, if misstatements in the financial statements that we bring to your attention are not adjusted, you must state your reasons. In connection with representations and the supply of information to us generally, we draw your attention to section 501 of the Companies Act 2006 under which it is an offence for anyone knowingly supply information to the auditors that is false or misleading and to fail to promptly provide information requested. To help us examine your financial statements, we will ask to see all documents or statements that are due to be issued with the financial statements. We are also entitled to receive details of all written resolutions that are to be circulated to members, to attend all the company's general meetings and to receive notice of them all.

In performing our audit procedures, we may make use of analytical tools. To facilitate this we may request that you extract data, provide backups or provide alternative access (eg using an Application Programming Interface) to your accounting systems. How we will use analytical tools and any data will be set out in the communication of our planned approach with you.

Scope Of Audit

You are responsible for safeguarding the company's or limited liability partnership's assets and for preventing and detecting fraud, error and non-compliance with laws or regulations. We will plan our audit so that we can reasonably expect to detect significant misstatements in the financial statements or accounting records (including those resulting from fraud, error or non-compliance with laws or regulations), but you cannot rely on us finding all such errors.

We shall not be treated as having notice, for the purposes of our audit responsibilities, of information provided to members of our firm (principals and staff) other than those engaged on the audit (for example information provided in connection with accounting, taxation and other services).

In respect of the expected form and content of our report, we refer you to the most recent bulletin on auditors' reports published by the Financial Reporting Council. The form and content of our report may need to be amended in the light of our findings. Once we have issued our report, we have no further responsibility in relation to the financial statements for that financial year. However, we expect that you will inform us of any material event occurring between the date of our report and the date the financial statements are sent out in accordance with section 423 of the Companies Act 2006 which may affect the financial statements.

To ensure that there is effective two-way communication between us and to comply with the requirements of International Standards on Auditing (UK), we will contact you:

- Before the audit to discuss any relevant matters, the planned scope and timing of the audit and to agree any required action
- After the audit to discuss any matters arising from the audit and to confirm any agreed action.

We will, of course, contact you more frequently and regularly about audit and other matters during the course of the audit. We appreciate that the present size of your business makes it uneconomic to create a system of internal control based on the segregation of duties for different functions within each area of the business.

In the running of your company or limited liability partnership, we understand that the director[s] [members] [is] [are] closely involved in the control of the company's transactions. In planning and performing our audit work, we shall take account of this supervision.

The scope of the audit does not extend to providing assurance on the iXBRL tagging of the financial statements submitted with the company tax return as there is no such requirement in the International Standards on Auditing (UK). We therefore accept no responsibility for any tagging inaccuracies identified by HMRC.

Scope of audit

Except for our responsibilities regarding other information which are set out in the "Requirements regarding other information" section of the engagement letter, we have no obligation to perform any audit procedures regarding the financial statements after the financial statements have been issued. However, we expect that you will inform us of any facts that may affect the financial statements of which you may become aware during the period from the date of our report to the date the financial statements are issued.

Quality Control

The conduct of our audit in accordance with Financial Reporting Standards on Auditing means that information acquired by us in the course of our audit is subject to strict confidentiality requirements. Information will not be disclosed by us to other parties except as required or allowed for by law or professional standards, or with your express consent. The audit files may, however, be subject to review as part of the quality assurance review program of the Institute of Chartered Accountants of England and Wales (ICAEW) which monitors compliance with professional standards by its members.

Scope Of Audit

We advise you that by signing this letter you acknowledge that, if requested, the audit files relating to the audit will be made available under the review programs outlined above. The same strict confidentiality requirements apply under these programs as those that apply to us as your auditor.

Electronic communication

During the engagement, we may from time to time communicate with the company electronically. We will take all necessary procedures to ensure integrity of such information shared with us. However, the electronic transmission of information cannot be guaranteed to be secure, error free or virus free and such information could be intercepted, corrupted, lost, destroyed, arrive late or incomplete or otherwise be adversely affected or unsafe for use. We shall not have any liability of whatsoever nature to the company arising from or in connection with electronic transfer of communication and information to the company.

Retention of Records

During the course of our work we will collect information from you and others acting on your behalf and will return any original documents to you at the conclusion of the engagement. We shall retain a copy of such documents for a period of Six (6) years. According to The Data Protection act 2018 and the General Data Protection Regulation (GDPR) we will destroy such documents after the retaining period without your consent.

Regulatory Requirements

We reserve the right to disclose the files to regulatory bodies in the exercise of their powers where necessary and corporate with authorities. The regulatory bodies include, Institute of Chartered Accountants England and Wales (ICAEW), HM Revenue and Customs (HMRC) and any other authorities.

Fees

- a) Annual Fees
- b) Monthly Fees
- c) Bespoke Business Management
- d) Time, Materials and Fixed Fee Projects

Annual Fees

As a client of Charlton Baker, we will agree your fixed fees with you up-front at the start of each fee year, or at the time you engage the firm, whichever is earlier. Our fee year runs from 1 April to 31 March.

We will issue an invoice for our services upon commencement of the relevant work, in line with the agreed fixed fee.

In the event that you should terminate your engagement with us at any time during the fee year, we reserve the right to invoice you on a time and materials basis in relation to any un-invoiced services actually performed up to the date of disengagement.

We also reserve the right to invoice you for any additional work carried out in relation to finalising compliance matters or in dealing with the handover of your affairs to you or your new advisor.

Our fees may depend not only upon the time spent on your affairs, but also on the level of skill and responsibility and the importance and value of the advice that we provide, as well as the level of risk.

If we provide you with an estimate of our fees for any specific work, then the estimate will not be contractually binding unless we explicitly state that that will be the case.

Where requested we may indicate a fixed fee for the provision of specific services or an indicative range of fees for a particular assignment. It is not our practice to identify fixed fees for more than a year ahead as such fee quotes need to be reviewed in the light of events. If it becomes apparent to us, due to unforeseen circumstances, that a fee quote is inadequate, we reserve the right to notify you of a revised figure or range and to seek your agreement thereto.

In some cases, you may be entitled to assistance with your professional fees, particularly in relation to any investigation into your tax affairs by HMRC. Assistance may be provided through insurance policies you hold or via membership of a professional or trade body.

Other than where such insurance was arranged through us you will need to advise us of any such insurance cover that you have. You will remain liable for our fees regardless of whether all or part are liable to be paid by your insurers.

The timing of issue of our invoices will depend on what services have been provided. Our fees are exclusive of VAT which will be added where it is chargeable. Any disbursements we incur on your behalf and expenses incurred in the course of carrying out your work for you will be added to our invoices where appropriate.

Unless otherwise agreed to the contrary our fees do not include the costs of any third party, counsel or other professional fees.

Monthly Fees

As a 'monthly' client of Charlton Baker, we will agree your fees with you up-front at the start of each fee year. Our fee year runs from 1 April to 31 March. Your total monthly fee has been set at a level to cover all agreed services over the 12-month fee year period. In the event that you should terminate your engagement with us at any time during the fee year, we reserve the right to invoice you on a time and materials basis in relation to the services actually performed up to the date of disengagement. We also reserve the right to invoice you for any additional work carried out in relation to finalising compliance matters or in dealing with the handover of your affairs to you or your new advisor.

Our fees may depend not only upon the time spent on your affairs, but also on the level of skill and responsibility and the importance and value of the advice that we provide, as well as the level of risk.

If we provide you with an estimate of our fees for any specific work, then the estimate will not be contractually binding unless we explicitly state that that will be the case.

Where requested we may indicate a fixed fee for the provision of specific services or an indicative range of fees for a particular assignment. It is not our practice to identify fixed fees for more than a year ahead as such fee quotes need to be reviewed in the light of timely developments. If it becomes apparent to us, due to unforeseen circumstances, that a fee quote is inadequate, we reserve the right to notify you of a revised figure or range and to seek your agreement thereto.

In some cases, you may be entitled to assistance with your professional fees, particularly in relation to any investigation into your tax affairs by HMRC. Assistance may be provided through insurance policies you hold or via membership of a professional or trade body.

Other than where such insurance was arranged through us you will need to advise us of any such insurance cover that you have. You will remain liable for our fees regardless of whether all or part are liable to be paid by your insurers.

The timing of issue of our invoices will depend on what services have been provided. Our fees are exclusive of VAT which will be added where it is chargeable. Any disbursements we incur on your behalf and expenses incurred in the course of carrying out your work for you will be added to our invoices where appropriate. Unless otherwise agreed to the contrary our fees do not include the costs of any third party, counsel or other professional fees.

Bespoke Business Management

As a bespoke business management client of Charlton Baker, the fee for our services shall be an amount equal to five per cent (5%) of your gross compensation in respect of your 'trading activities' paid to you on your behalf while we represent you.

'Gross compensation' means all income of any kind derived from any of your activities (whether entered into prior to our representation of you), without the deduction of any cost or expense incurred by you.

The term 'activities' shall include, without limitation, your activities in any capacity whatsoever in the business. You understand that our fee arrangement is not set by law but is subject to negotiation between you and us.

Our fee will apply to monies earned by you or by any corporate or other entity through which you may operate, except where such invoicing will result in duplicate fees on the same income.

We will review the compensation you have received at the end of each month, and raise our invoice accordingly. Our fees are exclusive of VAT which will be added where it is chargeable. Any disbursements we incur on your behalf and expenses incurred in the course of carrying out your work for you will be added to our invoices where appropriate. Your payment of such out of pocket expenses will not reduce the gross compensation which is subject to the percentage fee arrangement and will not otherwise reduce the amount owed to us as accountants' fees.

In the event that you should terminate your engagement with us at any time during the fee year, we reserve the right to invoice you on a time and materials basis in relation to any un-invoiced services actually performed up to the date of disengagement. We also reserve the right to invoice you for any additional work carried out in relation to finalising compliance matters or in dealing with the handover of your affairs to you or your new advisor.

Our fees may depend not only upon the time spent on your affairs, but also on the level of skill and responsibility and the importance and value of the advice that we provide, as well as the level of risk.

If we provide you with an estimate of our fees for any specific work, then the estimate will not be contractually binding unless we explicitly state that that will be the case. Where requested we may indicate a fixed fee for the provision of specific services or an indicative range of fees for a particular assignment. It is not our practice to identify fixed fees for more than a year ahead as such fee quotes need to be reviewed in the light of events. If it becomes apparent to us, due to unforeseen circumstances, that a fee quote is inadequate, we reserve the right to notify you of a revised figure or range and to seek your agreement thereto.

In some cases, you may be entitled to assistance with your professional fees, particularly in relation to any investigation into your tax affairs by HMRC. Assistance may be provided through insurance policies you hold or via membership of a professional or trade body.

Other than where such insurance was arranged through us you will need to advise us of any such insurance cover that you have. You will remain liable for our fees regardless of whether all or part are liable to be paid by your insurers.

The timing of issue of our invoices will depend on what services have been provided. Our fees are exclusive of VAT which will be added where it is chargeable. Any disbursements we incur on your behalf and expenses incurred in the course of carrying out your work for you will be added to our invoices where appropriate.

Unless otherwise agreed to the contrary our fees do not include the costs of any third party, counsel or other professional fees.

Time, Materials & Fixed Fee Projects

Time Based Fees

As far as possible, we prefer to work on a fixed fee basis in respect of all our services provided to you. However, where you have requested for all or part of your services to be billed based on time and materials, we will keep a record of our time spent on your affairs and invoice you monthly or at appropriate times as our work in progress dictates. We will keep a record of time based on units of 15 (fifteen) minutes, rounded up to the next full fifteen (15) minutes where necessary.

Our fees may depend not only upon the time spent on your affairs, but also on the level of skill and responsibility and the importance and value of the advice that we provide, as well as the level of risk.

If we provide you with an estimate of our fees for any specific work, then the estimate will not be contractually binding unless we explicitly state that that will be the case.

Fixed Fee Project Fees

Where you have engaged with us for 'extra' project work we will always agree a fixed fee with you in advance of us commencing the project work on your behalf. The level of fixed fee could be based on a number of factors, such as value derived, savings (tax or otherwise), an estimate of delivery days, the market rate, or an appropriate 'value' percentage. Please note, this list is not intended to be exhaustive and we will always work with you when agreeing a fair and reasonable basis for the fee. In such an arrangement, we assume the time risk.

Other Fee Considerations

In some cases, you may be entitled to assistance with your professional fees, particularly in relation to any investigation into your tax affairs by HMRC. Assistance may be provided through insurance policies you hold or via membership of a professional or trade body.

Other than where such insurance was arranged through us you will need to advise us of any such insurance cover that you have. You will remain liable for our fees regardless of whether all or part are liable to be paid by your insurers. For our normal hourly rates please contact your Client Representative for further details.

The timing of issue of our invoices will depend on what services have been provided. Our fees are exclusive of VAT which will be added where it is chargeable. Any disbursements we incur on your behalf and expenses incurred in the course of carrying out your work for you will be added to our invoices where appropriate. Unless otherwise agreed to the contrary our fees do not include the costs of any third party, counsel or other professional fees.

Invoices are to be settled within 14 days of issue.

We reserve the right to charge interest on late paid invoices at the rate of 3% above bank base rates under the Late Payment of Commercial Debts (Interest) Act 1998. We also reserve the right to suspend our services or to cease to act for you on giving written notice if payment of any fees is unduly delayed. We intend to exercise these rights only where it is fair and reasonable to do so.

If you do not accept that an invoiced fee is fair and reasonable you must notify us within 21 days of receipt, failing which you will be deemed to have accepted that payment is due.

Terms & Conditions

- a) Standard terms and conditions
- b) Privacy notice

Standard Terms & Conditions

1. Applicable Law

These terms and conditions, and our engagement letter are governed by, and should be construed in accordance with, English law. Each party agrees that the Courts of England will have exclusive jurisdiction in relation to any claim, dispute or difference concerning the engagement and any matter arising from it.

Each party irrevocably waives any right to object to any action being brought in those Courts, to claim that the action has been brought in an inappropriate forum, or to claim that those Courts do not have jurisdiction.

We will not accept responsibility if you act on advice given by us on an earlier occasion without first confirming with us that the advice is still valid in the light of any changes in the law or your circumstances.

We will accept no liability for losses arising from changes in the law or the interpretation thereof that are first published after the date on which the advice is given.

2. Client Identification And Anti-Money Laundering Legislation

All accountants must comply with the Money Laundering, Terrorist Financing and Transfer of Funds Regulations 2017 (SI 2017 No. 692), The Proceeds of Crime Act 2002 (as amended by the Crime and Courts Act 2013 and the Serious Crime Act 2015) (the "Anti Money Laundering Legislation"), which are intended to stop the activities of terrorists and other criminals by preventing them using accountancy services. If we do not comply with this legislation, we risk imprisonment.

Before we can act for your company, we have to confirm the identity of the directors. At any time we may also need to obtain evidence confirming the identities of third parties, the source of any money or funding of property or other assets, and other matters.

We assume that our clients are honest and law abiding. However, if at any time we have grounds to suspect that crime is being committed, we are obliged to make a report to the National Crime Agency (NCA). We are prohibited by the legislation from telling you that we have done this. In such circumstances, we cannot do any work for your company without consent from NCA.

'Criminal property' is money, property, other assets, rights or any benefit derived from criminal activity. Activity is considered 'criminal' if it is a crime under UK law, no matter how trivial. Tax evasion is a criminal offence, but an honest mistake is not. It does not matter who carried out the criminal activity. Even if you are honest in your dealings, if your property represents a benefit from someone else's crime, we must still make a report.

Disclaimer: We will not be liable for any loss suffered by you or any third party as a result of our compliance with the Anti Money Laundering Legislation or any UK law.

3. Client Monies

We may, from time to time, hold money on your behalf. Such money will be held in trust in a client bank account, separate from our funds.

If there are grounds to suspect that any monies held in a client account are derived directly or indirectly from any criminal activity whatsoever, we may not release such monies until we receive permission to do so from NCA.

Where monies are held in a Client Account, any interest received on these funds up to the value of £75 will be retained by the firm.

Standard Terms & Conditions

4. Commissions or other Benefits

In some circumstances, commissions or other benefits may become payable to us in respect of transactions we arrange for you. The fees that would otherwise be payable by you will not be abated by such amounts. By signing this engagement letter, you consent to such commission or other benefits being retained by us without our being liable to account to you for any such amounts.

5. Confidentiality

Communication between us is confidential and we shall take all reasonable steps to keep confidential your information except where we are required to disclose it by law, by regulatory bodies, by our insurers or as part of an external peer review. Unless we are authorised by you to disclose information on your behalf this undertaking will apply during and after this engagement.

We may, on occasions, subcontract work on your affairs to other tax or accounting professionals. The subcontractors will be bound by our client confidentiality terms.

We reserve the right, for the purpose or promotional activity, training or for other business purpose, to mention that you are a client. As stated above, we will not disclose any confidential information.

6. Conflicts of Interest

We will inform you if we become aware of any conflict of interest on our relationship with you or in our relationship with you and another client. Where conflicts are identified which cannot be managed in a way that protects your interests, then we regret that we will be unable to provide further services.

If there is a conflict of interest that is capable of being addressed successfully by the adoption of suitable safeguards to protect your interests then we will adopt those safeguards. Where possible this will be done on the basis of your informed consent.

We reserve the right to act for other clients whose interests are not the same as or are adverse to yours subject of course to the obligations of confidentiality referred to above.

7. Customer Service

We are committed to providing you with a high quality service that is both efficient and effective. We welcome suggestions on how our service to you could be improved.

However, should there be any cause for complaint in relation to any aspect of our service please contact Mr Scott Sartin, FCA. We will look into your complaint carefully and promptly and do all we can to explain the position to you and address your concerns. If you are still not satisfied, you can refer your complaint to our professional body, the Institute of Chartered Accountants in England and Wales.

8. Data Protection

In this clause the following definitions shall apply:

- **'client personal data'** means any personal data provided to us by you, or on your behalf, for the purpose of providing our services to you, pursuant to our engagement letter with you

Upon the reasonable request of the other, we shall each co-operate with the other and take such reasonable commercial steps or provide such information as is necessary to enable each of us to comply with the data protection legislation in respect of the services provided to you in accordance with our engagement letter with you in relation to those services.

We confirm that we will comply with the provisions of the Data Protection Act 2003/General Data Protection Regulation (Regulation (EU) 2016/679) when processing personal data about you and your family. In order to carry out the services of this engagement and for related purposes such as updating and enhancing our client records, analysis for management purposes and statutory returns, legal and regulatory compliance and crime prevention we may obtain, process, use and disclose personal data about you.

Data Processor

We shall both comply with all applicable requirements of the data protection legislation. This clause is in addition to, and does not relieve, remove or replace, either of our obligations under the data protection legislation.

We both acknowledge that for the purposes of the data protection legislation, you are the data controller and we are the data processor. Schedule 1 sets out the scope, nature and purpose of processing by us, the duration of the processing and the types of personal data and categories of data subject.

In respect of the client personal data, unless otherwise required by applicable laws or other regulatory requirements, we shall:

- a)** Process the client personal data only in accordance with your lawful written instructions, in order to provide you with the services pursuant to our engagement with you and in accordance with applicable data protection legislation

e) Maintain commercially reasonable and appropriate security measures, including administrative, physical and technical safeguards, to protect against unauthorised or unlawful processing of any client personal data and against accidental loss or destruction of, or damage to, such client personal data

f) Return or delete all the client personal data upon the termination of the engagement with you pursuant to which we agreed to provide the services

g) Ensure that only those personnel who need to have access to the client personal data are granted access to it and that all of the personnel authorised to process the client personal data are bound by a duty of confidentiality

h) Notify you if we appoint a sub-processor (but only if you have given us your prior written consent, such consent not to be reasonably withheld or delayed) and ensure any agreement entered into with the relevant sub-processor includes similar terms as the terms set out in this clause

i) Where we transfer the client personal data to a country or territory outside the EEA to do so in accordance with data protection legislation

j) Notify you promptly if: i. we receive a request, complaint or any adverse correspondence from or on behalf of a relevant data subject, to exercise their data subject rights under the data protection legislation or in respect of the client personal data; or ii. we are served with an information or assessment notice, or receive any other material communication in respect of our processing of the client personal data from a supervisory body (for example, the Information Commissioner's Officer)

k) Notify you, without undue delay, in the event that we reasonably believe that there has been a personal data breach in respect of the client personal data

l) At your cost and upon receipt of your prior written notice, allow you, on an annual basis and/ or in the event that we notify you of personal data breach in respect of the client personal data, reasonable access to the relevant records, files, computer or other communication systems, for the purposes of reviewing our compliance with the data protection laws.

Without prejudice to the generality of this clause, you will ensure that you have all necessary appropriate consents and notices in place to enable the lawful transfer of the client personal data to us. Should you require any further details regarding our treatment of personal data, please contact: e.cargill@charltonbaker.co.uk

9. Disengagement

Should we resign or be requested to resign we will normally issue a disengagement letter to ensure that our respective responsibilities are clear.

Should we have no contact with you for a period of 12 months or more, we may issue to your last known address a disengagement letter and hence cease to act.

10. Electronic and other Communication

Unless you instruct us otherwise we may, where appropriate, communicate with you and with third parties via e-mail or by other electronics means. The recipient is responsible for virus checking e-mails and any attachments.

With electronic communication there is a risk of nonreceipt, delayed receipt, inadvertent misdirection or interception by third parties. We use virus-scanning software to reduce the risk of viruses and similar damaging items being transmitted through e-mails or electronic storage devices. However electronic communication is not totally secure and we cannot be held responsible for damage or loss caused by viruses nor for communications which are corrupted or altered after despatch. Nor can we accept any liability for problems or accidental errors relating to this means of communication especially in relation to commercially sensitive material. These are risks you must bear in return for greater efficiency and lower costs. If you do not wish to accept these risks please let us know and we will communicate by paper mail, other than where electronic submission is mandatory.

Standard Terms & Conditions

Any communication by us with you sent through the post system is deemed to arrive at your postal address two working days after the day that the document was sent. Note you can correspond with us by Freepost (Freepost number RTYR-TKBB-RKEX).

11. Fees, Billing and Payment Terms

The basis of our fees is as set out in the Fees section of this Client Service Brochure.

If invoices are not subject to payment by standing orders, our terms for such invoices are strictly 14 days net. We reserve the right to charge interest on late paid invoices at the rate of 3% above bank base rates under the Late Payment of Commercial Debts (Interest) Act 1998. We also reserve the right to suspend our services or to cease to act for you on giving written notice if payment of any fees is unduly delayed. We intend to exercise these rights only where it is fair and reasonable to do so.

Should you have any disagreement concerning a fee, this must be notified to us within 21 days of the invoice date. In the absence of such notification, you are deemed to have accepted the invoice and it is payable in full accordance with our normal terms.

If this letter of engagement covers work for a limited company and the company is unable to meet our fees as and when they fall due then the company's directors will be personally, jointly and severally liable in respect of our outstanding fees. We may offer you the facility to pay your fees by monthly instalments for which we do not charge any interest or other charges. As these terms have been agreed after 18th March 2015 this instalment agreement is not a regulated credit agreement.

12. File Destruction

You have a legal responsibility to retain documents and records relevant to your tax affairs. During the course of our work, we may collect information from you and others relevant to your tax affairs. We will return any original documents to you as and when requested. Documents and records relevant to your tax affairs are required by law to be retained as follows:

Individuals, trustees and partnerships:

- With trading or rental income: 5 years and 10 months after the end of the tax year
- Otherwise: 22 months after the end of the tax year.

Companies:

- 6 years from the end of the accounting period.

Whilst certain documents may legally belong to you, we may destroy correspondence and other papers that we store, electronically or otherwise, which are more than 7 years old. You must tell us if you require the return or retention of any specific documents for a longer period.

13. Internal Disputes within a Client

If we become aware of a dispute between the parties who own or are in some way involved in the ownership and management of the business, it should be noted that our client is the "business" and we would not provide information or services to one party without the express knowledge and permission of all parties. Unless otherwise agreed by all parties we will continue to supply information to the normal place of business for the attention of the directors or proprietors as appropriate. If conflicting advice, information or instructions are received from different directors or principals in the business we will refer the matter back to the board of directors or the partnership as appropriate and take no further action until the board or partnership has agreed the action to be taken.

14. Investment Advice

We comply with the above regulation by displaying the required details of our Professional Indemnity Insurance in each of our offices.

Exclusion of liability for loss caused by others

We will not be liable if such losses, penalties, surcharges, interest or additional tax liabilities are due to the acts or omissions of any other person or due the provision to us of incomplete, misleading or false information or if they are due to a failure to act on our advice or a failure to provide us with relevant information.

Exclusion of liability in relation to circumstances beyond our control

We will not be liable to you for any delay or failure to perform our obligations under this engagement letter if the delay or failure is caused by circumstances outside our reasonable control.

Exclusion of liability relating to the discovery of fraud etc

We will not be responsible or liable for any loss, damage or expenses incurred or sustained if information material to the service we are providing is withheld or concealed from us or misrepresented to us. This applies equally to fraudulent acts, misrepresentation or willful default on the part of any party to the transaction and their directors, officers, employees, agents or advisors.

This exclusion shall not apply where such misrepresentation, withholding or concealment is or should (in carrying out the procedures which we have agreed to perform with reasonable care and skill) have been evident to us without further enquiry.

Indemnity for unauthorised disclosure

You agree to indemnify us and our agents in respect of any claim (including any claim for negligence) arising out of any unauthorised disclosure by you or by any person for whom you are responsible of our advice and opinions, whether in writing or otherwise. This indemnity will extend to the cost of defending any such claim, including payment at our usual rates for the time that we spend in defending it.

Limitation of aggregate liability

Where the engagement letter specifies an aggregate limit of liability, then that sum shall be the maximum aggregate liability of this company, its directors, agents and employees to all persons to whom the engagement is addressed and also any other person that we have agreed with you may rely on our work. By signing the engagement letter you agree that you have given proper consideration to this limit and accept that it is reasonable in all circumstances. If you do not wish to accept it you should contact us to discuss it before signing the engagement letter.

Standard Terms & Conditions

18. Period of Engagement and Termination

Unless otherwise agreed in the engagement covering letter our work will begin when we receive your implicit or explicit acceptance of that letter. Except as stated in that letter we will not be responsible for periods before that date.

Each of us may terminate this agreement by giving not less than 21 days' notice in writing to the other party except where you fail to cooperate with us or we have reason to believe that you have provided us or HMRC with misleading information, in which case we may terminate this agreement immediately. Termination will be without prejudice to any rights that may have accrued to either of us prior to termination.

In the event of termination of this contract, we will endeavour to agree with you the arrangements for the completion of work in progress at that time, unless we are required for legal or regulatory reasons to cease work immediately. In that event, we shall not be required to carry out further work and shall not be responsible or liable for any consequences arising from termination.

19. Professional Rules and Statutory Obligations

We will observe and act in accordance with the byelaws, regulations and ethical guidelines of the Institute of Chartered Accountants in England and Wales and will accept instructions to act for you on this basis. In particular you give us the authority to correct errors made by HMRC where we become aware of them. We will not be liable for any loss, damage or cost arising from our compliance with statutory or regulatory obligations.

20. Reliance on Advice

We will endeavour to record all advice on important matters in writing. Advice given orally is not intended to be relied upon unless confirmed in writing. Therefore, if we provide oral advice (for example during the course of a meeting or a telephone conversation) and you wish to be able to rely on that advice, you must ask for the advice to be confirmed by us in writing.

21. Third Parties

The advice and information we provide to you as part of our service is for your sole use and not for any third party to whom you may communicate it unless we have expressly agreed in the engagement letter that a specified third party may rely on our work.

We accept no responsibility to third parties, including any group company to whom the engagement letter is not addressed, for any advice, information or material produced as part of our work for you which you make available to them. A party to this agreement is the only person who has the right under the Contract (Rights of Third Parties) Act 1999 to enforce any of its terms.

22. Foreign Account Tax Compliance Act (FATCA)

Unless agreed specifically in a separate engagement letter, we are not responsible for your compliance with the International Tax Compliance (United States of America) Regulations 2013, produced as a result of FATCA. In particular, we are not responsible for the categorisation of any UK entity into either a Financial Institution (FI) or an active or passive Non-Financial Foreign Entity (NFFE) nor, if a Financial Institution, for its registration with the US Internal Revenue Service (IRS) and subsequent submission of the required annual returns to HM Revenue & Customs.

Standard Terms & Conditions

23. Probate Complaints Policy

Charlton Baker Limited is committed to providing a high-quality probate service to all our clients. When something goes wrong, we need you to tell us about it. This will help us to maintain and improve our standards.

Our complaints procedure

If you have a concern or a complaint, please contact the person dealing with the assignment with the details. If we have to change any of the timescales set out below we will let you know. If you cannot solve the issues with this person and wish to make a formal complaint please address such complaint to the Head of Legal Practice, Jenna Sartin.

What will happen next?

1. Within five days we will send you a letter acknowledging your complaint and asking you to confirm or explain the details. We may suggest that we meet to clarify any details
2. We will then record your complaint in our central register and try to resolve the complaint
3. If you are still not happy, we will refer the matter again to the Head of Legal Practice and open a file for your complaint and investigate. This may involve one or more of the following steps:
 - a. If we acted for you, we will consider your complaint again. We will then send you our detailed reply or invite you to a meeting to discuss the matter
 - b. If your complaint relates to a person outside the firm, for example, an expert or barrister, we will ask them to give us their reply to your complaint. We will then examine their reply and the information in your complaint file. We may also speak to them
 - c. We may ask another independent local solicitor to investigate your complaint and report to us
 - d. We will then write inviting you to meet the Head of Legal Practice and discuss and hopefully resolve your complaint.

4. We would aim to be in a position to be able to meet with you within 10 working days of first receiving your complaint. If you would prefer not to meet, or if we cannot arrange this within an agreeable timescale, we will write to you setting out our views on the situation and any redress

5. Within three working days of the meeting we will write to you to confirm what took place and any solutions we have agreed with you. In appropriate cases we could offer an apology, a reduction of any bill or a repayment in relation to any payment received

6. At this stage, if you are still not satisfied, please contact us again. We will then arrange to review our decision within the next 10 working days. This may happen in one of the following ways:

- a. We will review the decision ourselves
- b. We will arrange for someone who is not connected with the complaint to review our decision
- c. We will ask another local firm of solicitors to review your complaint. This may take longer than 10 working days in which case we will let you how long this process will take.

7. We will let you know the result of the review within five working days of the end of the review. At this time we will write to you confirming our final position on your complaint and explaining our reasons. If you are still not satisfied, you can contact the Legal Ombudsman about your complaint, but we very much hope that this will not be necessary

8. The Legal Ombudsman to whom complaints can be addressed can be contacted as follows:

Address: The Legal Ombudsman, PO Box 15870, Birmingham B30 9EB

Website: www.legalombudsman.org.uk

Email: enquiries@legalombudsman.org.uk

Phone: 0300 555 0333

Normally you will need to bring a complaint to the Legal Ombudsman within 6 months of us writing to you with the firm's final response about your complaint.
